Italiano Cafe

It is said that most of us have the time of our lives over food and that too when we have it in the company of our family, friends and loved ones... Taking this thought and logic into our minds and amalgamating it with the impeccable tastes and flavors of the magnificent country of Italy and the spirit of the new, dynamic, one world we present YOUR CITY's finest and most enthralling culinary destination.

UniqueBrew Café is upbit café with Comforting, Unique, Charming freshly-made food that goes together with aromatic coffees and beverages to recreate the whole concept of eating out and enjoying coffee. We provide an authentic Italian Café experience offering premium coffees, authentic International Fast food products and enjoyable spaces in a relaxing ambiance. The UniqueBrew philosophy is really very simple. Coffee, atmosphere, food, service and aperitivo time are the key elements to our business and excellence in all five areas is required in order to achieve our aim.
