RESTAURANT MENU

Welcome to Nathu’s

Indian vegetarian food has intrigued and mesmerized the world for over a millennium. Our exquisite use of rich spices in recipes perfected over centuries has attracted and enchanted food lovers beyond borders and seas.

We at Nathu’s take pride in preserving and contributing to this remarkable heritage with our own unique impression.

Our origins can be traced back to the bustling streets of the walled city in the heartland of this great nation - the capital Delhi. For over eight decades we have catered to millions of citizens and enriched their multicultural taste buds. Our humble eatery along with our offerings grew multi-fold times owing to the love of our customers!

This menu encapsulates the cuisines representing the length & breath of our country. From sassy street food to sizzling snacks, chatpata chaat to classic curries & of course the delightful desserts... there’s something for every member of the family!

Our culinary ethos is defined by an authentic taste with beguiling flavours for every dish we prepare.

We look forward to serving you your merry meal!
